

### 3. Activities

As usual at ETC we have laid on a **feast of activities** for you.

#### Football

Football on Thursday evenings at **Strouden Park** continues to be popular. A special mention must go to a few regular players who stand out for their particular style of football... Brad for his safe hands in goal (even though he prefers not to play in goal)! Ali for his particular style of tackling teachers, and Ibrahim for telling us he is the oldest player on the pitch and then playing with the energy of an 18 year old!

**See you all there!**

Girls are just as welcome as boys to come and play... See you there! Any questions? Ask Ed.

Probably the best footballers in Bournemouth!

#### Volleyball + Basketball

The **YMCA** on a Monday evening is always full but somehow we manage to make sure everyone gets a game. June was a wash-out for volleyball on the beach but hopefully in July the weather will be better and we will get a few games on the beach.

#### Nails + Coffee + Chat

**Girls only!** Every Tuesday in the cafeteria the girls get together for a bit of nail care and painting. You can have a coffee at half price and maybe even a massage (if you ask Juliana nicely)! Hope to see you there.

#### Quiz

The last quiz night was a great success and next month we are hoping to have another on the **15th August**. Your hostess for the evening will be **Carolyn** and the venue will be **FAB in Charminster**. Great prizes to be won, and cheap drinks to be had. Please ask **Carolyn** for details.

### 4. Competition

Use your brain and practice your English!!!  
Can you spot the mistakes in these signs?

**Taxi Sign:**

"One mistake here: Can you spot it?"

\* To win a fantastic prize, go to [www.studentnews.org.uk](http://www.studentnews.org.uk) and click on "competitions".

\* How about these two, can you spot the mistakes?

### 5. International Party

In my opinion **The International Party** was a great evening with absolutely delicious food, prepared by students from all different countries of the World, such as France, Belgium, Spain, Italy, Germany, Turkey, Korea, Japan, Lybia, Colombia, Venezuela and The UK. The students cooked together in the kitchen at ETC Cafe. They made the decorations and helped to make the party better. **It was amazing to see.....!!!!**

When all the guests arrived, the buffet was opened and everyone tried what they had prepared for us, in my opinion **it was Delicious.....!!!!**

The party showed us different foods and different cultures in a very joyful way.... (see the photos).
